

- Railings (Samples II)

by Alonso Vazquez

A re-enactment of "Railings" by Francis Alys

The link in between both works is the perspective, regarding the city as 'sound tool for composition' and creating series of live performances. Some artists and musicians of the city will be invited to participate in this collaborative project. Everybody is welcome to perform.  
:

Munzenplain, Den Haag. om 14.00 pm.

Prinsessewal, Den Haag om 16.00 pm.
